B04-BLAIR

BAR BELLE

A few years ago I was in a bar in a Southern state. It was what you would call a “good ol’ boy’s place,” meaning it was frequented by truckers and locals, and the only girls who came were in there on Saturday nights, were with their cowboy dates.

What I want to tell you about happened on a Tuesday night. The place only had about 14 guys in it, since Tuesday is the slowest night of the week.

I was drinking the state liquor, 100 proof bourbon, when the little lady who does the topless dancing came on. She’s a real cutie, about 5’ 3” with big dimples, long black hair and a set of titties that just won’t quit. If you are an ass man, you would be pretty satisfied with what Lynn had back there, too.

They had two girls on Tuesdays, Lynn and Terri. Well, while the music was blaring some hot stuff by a well known local country guitar-pickin’ group, Lynn suddenly jumped up on the bar and announced that she was willing to fuck the guy with the biggest prick.

Best of the West!

I can't believe how hot Jodi (West) is on the cover of your latest issue. I mean, look at her. She's the bomb. She's the perfect MILF-Next-Door. She can probably have any man she wants. Any man. With a face and body like hers, what more could a man want? I bet she was wet and horny when those photos were taken of her, but, hey, I'm just daydreaming.

Listen, if she ever wants to get laid, and wants a man that can do her right, why that would be me. I'm a woman pleaser, or at least that's what all the women have told me. I even had to get a divorce because I was pleasing so many women while I was still married. But, hey, that was last year. Please forward her my e-mail, phone number and/or address.

– Louis J., Charleston, SC

“Get ‘em hard, boys!” she giggled, “and whichever of you has the longest rod will get to park it into my pussy.” Then she began to dance like never before. Champ (the bouncer) locked up the door and put out the sign, and that lady took off her G-string and bumped and grinded and did some steps that made her look like she was getting fucked. We were yelling and clapping and at the end of the song she said, “Okay break ‘em out for short arm inspection, you motherfuckers, and let’s see what you been hiding.”

Some of the guys went behind the juke to play with themselves and get harder and a few rushed into the men’s room. Champ had his prick out behind the bar and he was slapping it with the thing you use to wipe the head of foam off a glass of beer. He had a wang that looked like it was a foot long.

Lynn was now dancing around us and watching and she laugh as I began to beat my meat like a fiend. “Pretty good, sonny,” she said, her hand glancing off my prick head. That girl had a par of tits on her and her pussy looked like the

world to me.

Finally, the local band was sung out and started to pack it up as Champ pulled the plug on the bunch of them – and we lined up like Lynn asked. Champ passed the bottle down the line and we each took a swig before we dropped our pants and underwear. I was so hard the fucking thing was throbbing. As I looked around I figured I didn't have too much competition, except for Champ and one or two other guys including Red, a local lettuce trucker, who made up for length in thickness. As I was wondering if it counted, Lynn began to walk down the line. I was so hard the fucker was throbbing even faster and harder.

She touched some cocks, frigged Champ's momentarily and then walked by others with a look of boredom. When she got to me she hefted my balls in her hand and I nearly shot off right there and then. "You're nice, sweetie," and I said she wasn't so bad herself. Then she came to Red and hefted his cock with all of the red hairy forest around it. "This is some lump you have here, sweetie," she smiled, "except this contest is for length, not thickness. Maybe we'll have one for that sometime. Meanwhile, you get second prize. Okay?"

"What's that?" he asked

and all the guys moaned and Charlie began to lose his hard. "I'll jerk you off after the winner fucks me." She smiled, kissing him on the ruby reds.

I would love to be able to tell you that I was the winner that night and got to fuck that sweet bitch, but I wasn't even in third place. A dude named Cotton was the winner. His big dick stood up at what Lynn guessed to be good 9 inches, and he was the lucky guy who got to go into the boss's private office and fucked the pussy off that sweet lady.

A few weeks later, Lynn got to feeling horny and she had another contest and Cotton won again. The guys asked Champ to ban him as it wasn't fair and as long as that redneck bastard could stay hard he could keep winning. Finally, Champ decided to stop all the fucking around. I didn't

mind much because my business took me out of the state for a few years.

I went back to the bar last week and asked about Lynn. Champ said she was a high-priced hooker in some big city somewhere. One of the guys asked me who she was and I told him the story about the nights she decided to take on the biggest cock in the place. Before I finished he began to laugh his fool head off. I asked him what was so funny.

He told me that he was in a bar in Amarillo, Texas, where the exact same thing happened, "Only that slut was named Ada," he said. "The whole thing was set up by the owner. In this case it was Champ, here. You notice it only happens on the deadliest night of the week and that is to draw a crowd that night. I bet the next Tuesday was standing room only, right?" I

thought about it and had to admit he was correct.

"The whole thing is a setup to improve business," my friend said. "But I don't care. I was the winner twice in Amarillo."

How about that!

George M., Lubbock, TX

TAXED TO THE MAX

Hello, my name is Geoffrey, and I'm, 55 years old living in Long Island. I'm writing to tell you about a lady who was working in our office. Her name was Louanne and she came to us from a temp agency as our busy season approached. I work in the tax service's regional office. Beginning the first of the year until April is, of course, our busiest season.

Her first day was probably a whirlwind for her. When I first saw her, she was being escorted around the office by the regional manager who seemed to be having a great time of it. As for me, I just couldn't take my eyes off her huge boobs, but the most attractive part of her body was her tight ass. I would look at that ass swaying from left to right when she walked by my station.

On the second day, I found out that I was to work with her for her first two weeks, and then she'd move over to another account manager. We did our thing at

the office and in between tax lingo, I learned she was lonely at home with her husband being away a lot so she took the job to fill her days, but her nights were still pretty empty. Not one to try to take advantage, I played the detached-but-interested card when we weren't talking business.

At the end of her first week, she came into work on Friday obviously upset and a bit under dressed, for her. I asked if she was okay and she said she was, but she was not. I let it ride like that until lunch time, when I asked if she wanted to have lunch and talk bout her 'troubles.' At first she declined but I said that it might make her feel better, and make her afternoon go better. She agreed and when lunch time came around we headed for a snack shop and settled in.

Louanne told me many things about her life that she was not happy with her husband, a good-for-nothing lazy-ass. From that day she became more friendly to me and shared more of her secrets and experiences. I couldn't take it anymore, so on Monday I decided to make a plan to 'seduce' her.

We were working late on Tuesday night, the only ones left in the office. I purposely went inside our IT's server room on the pretense that one of the servers went down. I called

her to help me remove some of the hard drives and replace them. When she came in, I took her hand and pushed her to the wall and started kissing her.

At first she mildly resisted but quickly she hugged me tightly and started kissing me like a wild woman. I put my hands inside her blouse and started fondling her breasts. A moment later she took off her blouse and bra and I and I took it as a message to suck her boobs. I started by licking her nipples, swirling my tongue around them.

I turned her around and pushed her chest against the cold wall. I pushed gently into her so she could feel my hard cock against her tight ass. What a feeling it was for me as she reached behind her and felt my hardness. She caught hold of my cock and started rubbing it over my jeans. She turned around and made me put

my back to the wall and dropped to her knees and unzipped my jeans, found my cock through my boxers and she started sucking my cock very hard. I told her that I was about to cum, so she started sucking me harder. I blasted my juices into her mouth and she swallowed it all happily without leaving out a single drop. I told her we should get out of there, but she squeezed my cock and asked "What about me?"

I told her that if she was alone at home tonight, I'd love to make her cum, as many times as she wanted. When she got to my place, we wasted no time. I told her to sit on the sofa, pushed back her skirt and started sucking her pussy over her panties. I soon pulled aside her panty and saw her pussy was clean shaven, so I started sucking and fingering her deeply.

She started trembling on the sofa and finally came all over my mouth and fin-

gers, soaking them in her love juice. She stood up on wobbly legs and told me to take her to the bedroom. She took out my ragingly dick and pulled me in the direction I pointed.

We stripped each other of our clothes and fell onto the bed. I mounted her and kissed her passionately to stop her from moaning and started fucking her. When I was about to cum, she told me to cum inside her mouth. So I fucked her now even harder and as I was about to explode, I pulled out and she quickly got in position to take it in her mouth.

After a short pause, we decided to continue in the bathroom. I had a nice two-head shower with plenty of room for two naked people. We jumped in, soaped each other and I massaged her breasts while she lathered up my cock and balls and gave me a sensual hand job, then a hot blowjob moving her hands back to play with my balls. Finally, after each came again, she dressed and went home.

– Geoffrey M., Long Island, NY

Tanya could barely keep her cool when Jasmine delivered her final book report to her desk in a blue skirt that showed the full curve of her hips, and plump

ass. While Tanya reviewed the report, Jasmine decided to help the review along by unbuttoning her blouse and give Tanya a peek. That's all it took once they locked lips and started making out. Then, as Tanya stripped, Jasmine dropped down and began licking Tanya's wet pussy in hopes she'll get the

Gracia hails from hot Arizona, but even the weather there is cooler than her sexual temperature. We see her today in her sexy bra and panty set. She was really outgoing and adventurous so we asked if she would consider doing photos and a video. She said she had done a few and had a guy she liked to fuck and he was not camera shy. We said that would be just wonderful.

Gracia

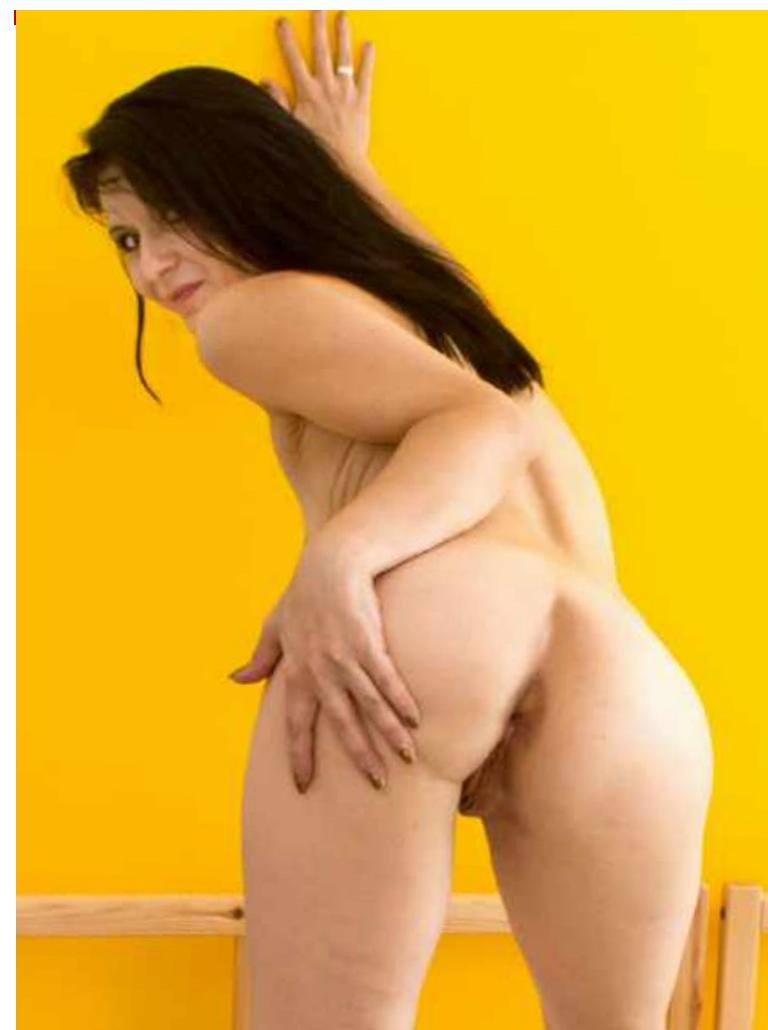

The next weekend we were on and she gave us one of the best solo shows of ours lives! She started with a full on strip-tease and we worshipped that body of hers like there was no tomorrow!

Doing 60 in a 25 Zone

THINK YOU'RE TOO OLD FOR SEX? THINK AGAIN!

John is over 60, but it was hard to believe his age as I looked between my parted thighs and watched his steel-hard cock approaching my dripping box. He quivered with anticipation as his velvet cockhead moved ever closer to my open pussy, but still, he didn't rush.

The smooth mahogany of the conference table was cool against my bare ass. When I first went to work at the college library where he is the librarian, I thought of him more as a father than a partner.

Actually, I was relieved that he was an older man. I was still recovering from an ugly divorce and really didn't want to be around men my own age (I'm 25). The part-time job was to supplement the tiny alimony check from my ex.

Somewhat he sensed my desperation that day as I nervously applied for the job. He hired me with no experience. The only thing I had to offer was my love of books.

The first time I realized just how sweet he could be was the afternoon that I got a call at the library from one of my bill collectors. I was about to lose my car and had yet to get my first check from the library.

I was practically in tears when I hung up. When I looked up, John was standing there, his kindly green eyes looking at me so sympathetically that without thinking, I put my head on his shoulder and began bawling like a baby. It was my first good cry since my divorce.

He patted me on the back and let me get it out of my system. He was so strong and so tender, unlike any man I'd ever known. I wanted to hide in his arms forever. By the time my bawling had died down to snuffles, I noticed something strange: There was a big bulge pressing up against my belly. John had an erection.

I resisted the urge to reach down and touch his stiff manhood. My pussy became moist for the first time in months and I felt my nipples stiffen against his chest. He finally pushed me away and kissed me on the forehead. He reached in his pocket and pressed \$50 into my hand.

"It's an advance on your salary," he whispered before I could protest. I tiptoed and kissed his kindly face. He blushed. I grinned and as I walked away; I don't know why. I wiggled my ass more than usual and somehow knew he was enjoying the view. I found that I liked getting John excited. The more I thought about it, the more I realized that I wanted him to fuck me.

The library is pretty well deserted in the evening, so John and I are alone most of the time. He usually has his nose in a book.

The next evening, I began my assault. I wore a short skirt, loose-fitting top, and no bra. I felt naked, but daring ... and more turned on than I'd been in years.

I gave him a peek at my breasts every time I got the chance. Once in a while I'd catch him looking

and he'd get all red in the face. I guess I blushed too. Before long he was setting up his own opportunities to check out my boobs.

One evening, there was a box of books on the floor beside his desk which meant I had to bend over to pick them up. I took full advantage of the situation. Once as I was bent over, I looked up and stared him right in the eyes. His stare made my nipples stiffen.

Then, one night when I was shelving books in the back of the library, one of the boxes slipped off of the cart and loudly crashed to the floor. I was squatting there putting the books back into the cart when John came running around the corner. He looked anxious; as if he was afraid I might be hurt. He was in such a

Finally, I let him have the box. But it wasn't the box I wanted him to have; I wanted to fuck my boss. At the time, we were both too shy.

The next night I decided to take the initiative. That's the night I left my panties at home. I waited until no one else was there and picked up a large book which I deliberately let fall to the floor. Then, with my back facing the aisle he would come down to check, I bent over and let my bare ass hang out in the open air.

I heard him gasp as he raced up and stopped just behind me. I opened my legs and let him have a peek at the hair-fringed beginning of my excited pussy. "Are you okay?" he asked, his voice cracking with excitement.

I looked over my shoulder and whispered, "Yes, John." His cock was bigger than I'd ever seen it. The shape of the head was visible as it strained to push through the material of his pants. It was easy to see that he liked my ass even better than my boobs. I was so close to coming that I had to stand up. He backed over to a table a few feet away and sat down with a plop. I think his knees were as weak as mine.

I picked up a book that had to go on the shelves directly behind him and walked slowly toward the excited librarian. His eyes never left my body. One of his hands was under the table. He was holding his cock. I pulled a sliding ladder down and parked it behind him. When I started climbing it, he swung his chair around. We both knew what a view he would get as I climbed the ladder with no panties on.

I could actually feel the heat from his eyes as he drank in the sight of my pink, wet pussy. "Careful, Becky," he warned as he stood and put a hand on my ass. "We wouldn't want you to fall, would we?"

"No, John," I replied, wiggling my ass under his hand. He let his thumb wander into the crack of my ass. It only made me hornier. When I took another step up on the ladder, his hands automatically slipped past my skirt and touched my thighs. Once there, he slid them under my skirt and put them on my ass, only this time he was holding bare flesh.

I had to hold on tight to keep from falling. My legs felt like jelly and my entire body was quivering, especially my pussy. His long, bony fingers massaged my butt and his thumbs slid up and down the crack. He let them touch the beginning of my pussy on each down stroke.

I wanted to feel his prick, not his fingers, but I wasn't sure his heart could take it. I was too far gone to worry for long. I turned around on the ladder. He kept his hands in place, so they wound up on

hurry he practically ran over me as he came around the corner.

He screeched to a halt only a foot or so in front of me. "You're okay," he said, relaxing. His crotch was right at eye level. There was a lump in his pants bigger than my fist. Standing over me like that, he had a perfect view down my blouse. As usual, my nipples responded instantly to his hot gaze. His cock danced like crazy under the wool material. My pussy was on fire. Neither of us was in a hurry to move.

Finally, when I'd stalled as long as I dared, I stood and picked up the heavy box. John reached out to take it from me. His hand brushed the side of my breast. His touch sent a lightning bolt straight to my pussy. I bit my lip to keep from moaning. My legs turned to jelly as I stood there, insisting that carrying the box was my job.

He rubbed his cockhead up and down on my gaping pussy as he talked. I swear, I came twice just from the feel of his hot flesh sticking at the entrance of my burning box.

the front of my thighs with the thumbs next to my clitoris.

I looked down at him. His cock was jumping around like crazy in his pants and he was breathing like a long distance runner. I guess we both knew it was time to quit playing games and get down to some real action, because the next thing I knew he had me in his arms like a child and was walking toward the big reading table.

He didn't say a word; he didn't have to. His eyes said it all: he wanted to fuck me. Still, I was amazed at his strength. He carried me like I was light as a feather. He sat me on the corner of the big table. My skirt was pulled up. The cool wood felt great against my hot, bare ass. He flipped up my skirt and put my ankles on his shoulders as he stood between my parted legs.

John suddenly seemed very calm. He very slowly pulled down his zipper, unbuckled his pants and let them fall to his ankles. His huge cock immediately popped from the opening in his boxer shorts. The red, swollen head had a clear drop of pre-cum oozing from the tip. I wanted him to ram that big, hot poker into my dripping pussy, but he seemed to be in no hurry.

"Please, John, I want it. Give it to me. Fuck me!" I pleaded. He smiled and shook his head. "Not yet, Becky," he said in a deep, throaty voice. "This is the first time for me in over 10 years. The first time since my wife passed away. I want to savor every second."

He rubbed his cockhead up and down on my gaping pussy as he talked. I swear, I came twice just from the feel of his hot flesh sticking at the entrance of my burning box. "Suck it a little," he moaned, as he let my feet fall from his shoulders.

I sat up and took the rod in my hand. I let the other hand cup his cum-filled balls. He shoved his hips forward, trying to enjoy every second of my stroking. I was a little reluctant to take his big prick in my mouth. Even my ex never asked me to suck him and my boss's looked too big, like it might choke me. But his hand behind my head kept coaxing my mouth closer and closer to his twitching cock.

At first I just licked it. When I let my tongue tease his piss-hole as I tasted his sweet cum, I thought he was going to shoot his load. He moaned, groaned and humped his hips against my virgin mouth. Once I let the entire head slip past my lips and touch my tongue, something inside me snapped. I came again. I suddenly wanted his entire cock in

my mouth. I wanted to devour him. I was one big puddle of raw lust.

He pumped his cock in and out of my hungry mouth a few times before finally he withdrew and pushed me back on the table. Once again he put my ankles on his shoulders and moved that big cock toward my wet, open pussy. This time he didn't stop with the head at the entrance, but instead slipped right in. I'm not sure, but I think I sucked him in. My pussy was screaming for his hard dick. I came again before he even hit bottom.

He stood there with his cock inside of me to the hilt while I wiggled, squirmed, and thrashed as the orgasm shook my entire body. His cock throbbed in a steady rhythm as the walls of my quivering pussy milked it, trying to make him fill me with his burning seed. But, he held back. Only when I was calm again did he begin thrusting in and out of my slippery pussy. It was like a roller coaster; I was at the

bottom but he was quickly bringing me to the top of an even bigger hill than before.

"Come with me this time," I pleaded, as waves of orgasm once again engulf me. "Come inside me."

Suddenly he was a young buck—a stud—my stud. He shoved his cock into my depths as the sperm began spattering against the walls of my pussy. Each spurt of his steaming cream was answered with a shivering quiver of my pussy. It seemed like hours before we regained our senses.

TI still work for him and each night gets better. John is full of surprises. Like last night: he ate my pussy and now he wants to come in my mouth. We only have sex once a week but when we do, it's out of this world!

Hold on a minute...
I'm on the phone
calling my friend
Steve because I'm
horny as hell, and
he loves it when I
booty call him, and I
call him a lot! I can't
wait! I want to feel
his beautiful hard
cock in my hand
and rub it so it be-
comes harder. And,
“Oh!” when it goes in
my mouth, I love that
feeling. His hardness,
his length. But what
really send me is
when he pushes that
thing deep into my
soft, wet pussy.

Sava

I should get going
now to freshen up
and put on my new
lingerie, because
he'll be here any
minute.

I just finished my interview for a women's entrepreneurs magazine of 50 female bosses over 50. Jeremy, my interviewer, was a very sexy and articulate man and so was the photographer. Jeremy had to leave on another assignment, and while the photographer was packing up his equipment, I asked him if he would take some other types of pictures of me.

Lara

"Just between us?"

I said. He smiled and agreed and I opened my desk drawer for some extra pink and beige accessories. Looks like they got their interview... and I got my pics.
